DS24: Regelendringer 2024

- **Game Disqualification: § 30, 40, 49 & Basketball Equipment Art. 8**
- REASON:
- Rules are lacking clear and complete procedures for when a team member, including a player or coach, is **disqualified** (N: «Bortvist»).
- There have been unnecessary delays in a disqualified team member leaving the floor and returning to the dressing room.
- Specific procedures are required to support the cooperation of all participants to ensure the smooth running of the game.

- **Article 17.2.4: Throw-In & Article 2.5.6: Throw-in lines**
- REASON:
- To keep the same throw-in spot of the side of the court, when the head coach decides, after a time-out in the last 2 minutes, to advance the ball to the frontcourt for a throw-in.
- It also gives the same conditions for both teams to make the throw-in (right/left side of the court) regardless of where the opponent's basket is.
- This rule change (Article 17.2.4) will result in a necessary change of Article 2.6.6 and 17.2.7.
